

**REMARKS****I. SPECIFICATION AMENDMENTS**

Several weeks after the Notice of Allowance (mailed September 23, 2004) was mailed in this case, Examiner Nguyen spoke with Miriam Jackson, Counsel for assignee Honeywell, Inc., regarding the section of the application entitled Notice of Copending Applications. Specifically, the reference to copending applications contained a patent identified only by an attorney docket number. This amendment provides information that properly identifies that application.

This amendment is required to provide proper reference to related applications. As this amendment embodies merely the correction of formal matters it requires no substantial additional work on the part of the Examiner. Indeed, no additional search or examination on the part of the Examiner is required. The necessity of this amendment was not noticed early, but was pointed out by Examiner Nguyen. This amendment is being made prior to the payment of the issue fee. Applicant requests that these amendments be entered, pursuant to 37 C.F.R. 1.312.

**II. CONCLUSION**

It is respectfully submitted that the amendment corrects any deficiencies in the specification section entitled Notice of Copending Applications have been corrected. Should the Examiner wish to further discuss the above-identified patent application, the Applicant requests that the Examiner contact the undersigned at (480) 385-5060.

If for some reason the Applicant has not requested a sufficient extension and/or have not paid a sufficient fee for this response and/or for the extension necessary to prevent abandonment of this application, please consider this as a request for an extension for the required time period and/or authorization to charge Deposit Account No. 50-2091 for any fee which may be due, except the issue fee.

Respectfully submitted,
